TBC welcomes to the pulpit Reverend Celestin Musekura, the President and Founder of the African Leadership And Reconciliation Ministries (ALARM, Inc.), a growing ministry with 35 African national staff training church leaders and community leaders in Burundi, Congo, Kenya, Rwanda, Sudan, Tanzania, Uganda, and Zambia in areas of leadership, conflict resolution, and tribal reconciliation.

THE HEALING OF A NATION

2 Chronicles 7: 12-14

When we look around and listen to the news, we easily discover that many nations are in turmoil. Communities are being torn apart by internal struggles, tribal wars, ethnic violence, genocide, etc. Within the nations, communities are struggling to survive due to poverty, HIV/AIDS, drought, poverty, hurricane, swine flu, etc. Within communities some families are breaking down due to financial crisis, broken promises, broken relationships, shuttered dreams, etc. Even individuals are committing suicide or running away from their families. At every corner we can see trouble, hopeless, and defeat. Most of societal and communal foundations are shaken and believers everywhere (at least in Africa have joined the Psalmist in his quest in Psalm 11:3 “When the foundations are Shaken, what can a righteous man do?”

Nations, communities, families, and individuals in turmoil can find healing:

- ☞ **Man’s Repentance is the pre-condition for the healing of a nation**
- ☞ **God’s Forgiveness heals a nation**
- ☞ **Restored relationships (divine and human) restores a nation**

How then shall I be God’s instrument in healing my nation, my community, and my family? How can I experience the sacrament of penance and how can I be an instrument of reconciliation?
