Angels and Demons Matthew 4:1-11

When it comes to the subject of Angels and Demons, we run into murky waters where much is stated, and frankly, little is known. What we do know is that God has angels as ministering servants on our behalf to keep us on course and Satan and his demons would love nothing more than for you and I to end up shipwrecked! One thing we want to embrace as we study the subject of Angels and Demons is that God's word, not culture, and not even experience, must be our guide.
