Compromise II Chronicles 17:1-20:37

After the death of Solomon, the nation of Israel was divided. The northern kingdom took the name Israel and contained 10 of the 12 tribes. The southern kingdom was called Judah and contained the tribes of Judah and Benjamin. Last week we saw that the 7th king of the northern kingdom was the wicked king Ahab. At that time, the southern kingdom, Judah, was being ruled by the righteous king, Jehoshaphat. As happens all too often, Jehoshaphat compromised and that compromise would be costly!
