T E M P L E BIBLECHURCH

WELCOME TO TBC... HERE'S WHAT'S NEW:

CHURCH OFFICE WILL BE CLOSED JULY 4TH AND 5TH!

Bev and I are so grateful for the outpouring of love and concern we have received from you! We have visited doctors in Philadelphia and at MD Anderson who are doing clinical trials on this rare form of cancer. In conjunction with our physicians here, we have chosen to enter a trial at MD Anderson in Houston. The focus of the trial is to prevent future metastasis. The treatment is unproven, but we know the ultimate outcome rests in the hands of our Father! We are deeply grateful for your concern about the expenses involved since our insurance will not cover costs. From day one, the TBC leadership has continually assured us that provision has been made for these treatments and should not be a concern. We are humbled and grateful for this protection. We are blessed with a generous body that serves a generous God! We have been stretched as a family, and I have struggled with emotions as never before; your prayers for Bev, myself and our family are much needed and appreciated.

- Gary
