**CHURCH WEPT—**  
*over abortion?*

Each year, abortion physically ends the lives of 1.2 million—that's two precious lives per minute. Whether we are aware or not, the truth is, we each know someone who has been affected by abortion. Many sit in the pews beside us every Sunday.

*At Hope Pregnancy Centers*, lives are being changed and saved. Those facing unplanned pregnancy are met with truth, love and a hope for the future. The heart of Jesus is the heart of this movement, and we invite you to prayerfully consider how you can enter this mission field created by abortion.

*Together, we can make a difference for life.*

There are many opportunities for your church to partner with HOPE. To learn more, please call 254-501-4181 or visit our new website at [www.hopepc.com](http://www.hopepc.com)
