

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page or a sheet of stationery designed for writing.

A circular diagram of the human eye, showing the cornea, iris, and lens. Three lines point from the text labels to the corresponding parts of the eye.

We do not pass an offering plate during the service. Boxes are located in the hallways for those who wish to serve by giving.
