The Silent Holocaust

The holocaust is looked upon as one of the most awful displays of man's depravity. Millions of Jews were executed in the gas chambers of Nazis while many looked away in either disbelief, apathy or fear of speaking up. Today in America, a holocaust is taking place as approximately one million babies are aborted each year. Since Roe vs Wade was passed in 1973 over 57,000,000 abortions have taken place in America. What does the Scripture teach about abortion? How should we be responding individually and as a church?
