Thriving in Babylon

Uprooted from his native land of Judah, Daniel was planted in the wicked soil of Babylon as a young man. As we read his story, we find Daniel is not just surviving in pagan Babylon, but was thriving in this foreign land. Daniel is more than a biography of a godly prophet or a prophetic book about the future...it is primarily a book about Daniel's GOD! The message of the book of Daniel is that in spite of present conditions, God is in control. Many of us would agree that this is a much needed reminder to us today...for the next few months, my prayer is we learn not just about Daniel, but deepen our understanding and faith in our GOD!
