**#10 FAMILY RESTORED**

III John 4

In the creation account, the crowning achievement is God making man “in His image”... IMAGO DEI. Since all mankind is created in the image of God, we respect all life...in the womb or at the end of life...and we respect all people regardless of gender, race, ethnicity, socio-economic or cultural backgrounds. But the fall changed it all. The image of God in man was not destroyed, but it was shattered! The great news of the GOSPEL is that which was shattered can be restored!
