REPLANTED

Colossians 3:12-17

We see a pattern in much of Paul's writing: identity before activity. He focuses first on what God has done, then tells us what God wants done. We see this pattern in Colossians. In chapters 3, Paul tells what to put off, then tells us what to put on. We do not put on Christian virtues to simply bring improvement to our personal lives but we do so to maintain unity in the body of Christ.

We are not _____ for righteousness, but we are _____ from righteousness.

v. 12 _____

v. 13 _____

v. 14-15 _____

v. 16-17 _____

The call to _____ is the summons to show in relational _____ what is already true in spiritual _____.

-Kevin DeYoung

Being _____ in Christ leads to us being _____ in community.
