Ray Vander Laan received his Master's of Divinity from Westminster Theological Seminary in 1976 and has been a teacher for 35 years. His preaching and teaching ministry is focused on understanding the Bible in light of the historical and cultural context in which God placed it. His gifts, expertise, and calling are to link that cultural information and the Bible so that its message applies to our lives today in practical ways.

### CORE VALUES

- SURRENDER
- COMMUNITY
- MISSION

### GIVING IS A PART OF WORSHIP

We do not pass the plate during the service. Boxes are located in the hallways for those who wish to worship by giving.
