### **TENTH AVENUE CONCERT CANCELLED**

A note from the band: It's 2019 and we're getting ready to hit the studio and make a new album! After much consideration, and in order to make sure we have ample time to record the best Tenth album possible, it's with great regret that we announce the cancellation of the Texas Takeover 2019 Tour. We look forward to great shows in TX in the near future, so stay tuned for that and for studio updates in January and February! ## **PAST, PRESENT, FUTURE**

God has blessed TBC with a rich history, we stand on the shoulders of many who have paved the way for us as a body impacting Central Texas. At present, we are a church in transition, but by God's grace, this time of transition, while having few hiccups, has remained faithful and passionate for the Gospel. What does the future hold? Only He knows, but we look to plan and say, "if He wills!"
