

Welcome

DEBT CLARIFICATION

In my exuberance to thank you for your generosity a few Sundays ago, I (Gary) mistakenly said, "the debt for our building project has been paid in full." What I should have said is the debt of the remodel is paid in full, which is a miracle in itself since

it was a \$3.8M project. We still have debt (\$2.9M) on the Creekside Center. Creekside was approx. \$6.8M. So, by God's grace and through your generosity, in the past 5 years, we completed \$10.6M in building projects and have only \$2.9M in remaining debt. Once again thanks for your generosity!

DISCONNECTED #2

February 3, 2019

CONNECTED THEN DISCONNECTED

Genesis 2-3

God made us for relationship, not only with Him, but also with others. Adam was in a perfect environment, without sin, but the Father says, "it is not good for man to be alone." Eve is created and there is "connection!" Then what was joyously connected became "disconnected" and we have wrestled with the consequences of this disconnection ever since!
