A concocted conspiracy

- The PLOT

How conditions have changed since Friday. The crucifixion was marked by sudden darkness, silent angels and mocking soldiers. At the empty tomb the soldiers are silent, an angel speaks and light erupts like Vesuvius. The one who was dead is said to be alive, and the soldiers, who are alive, look as if they are dead.

Swoon Theory

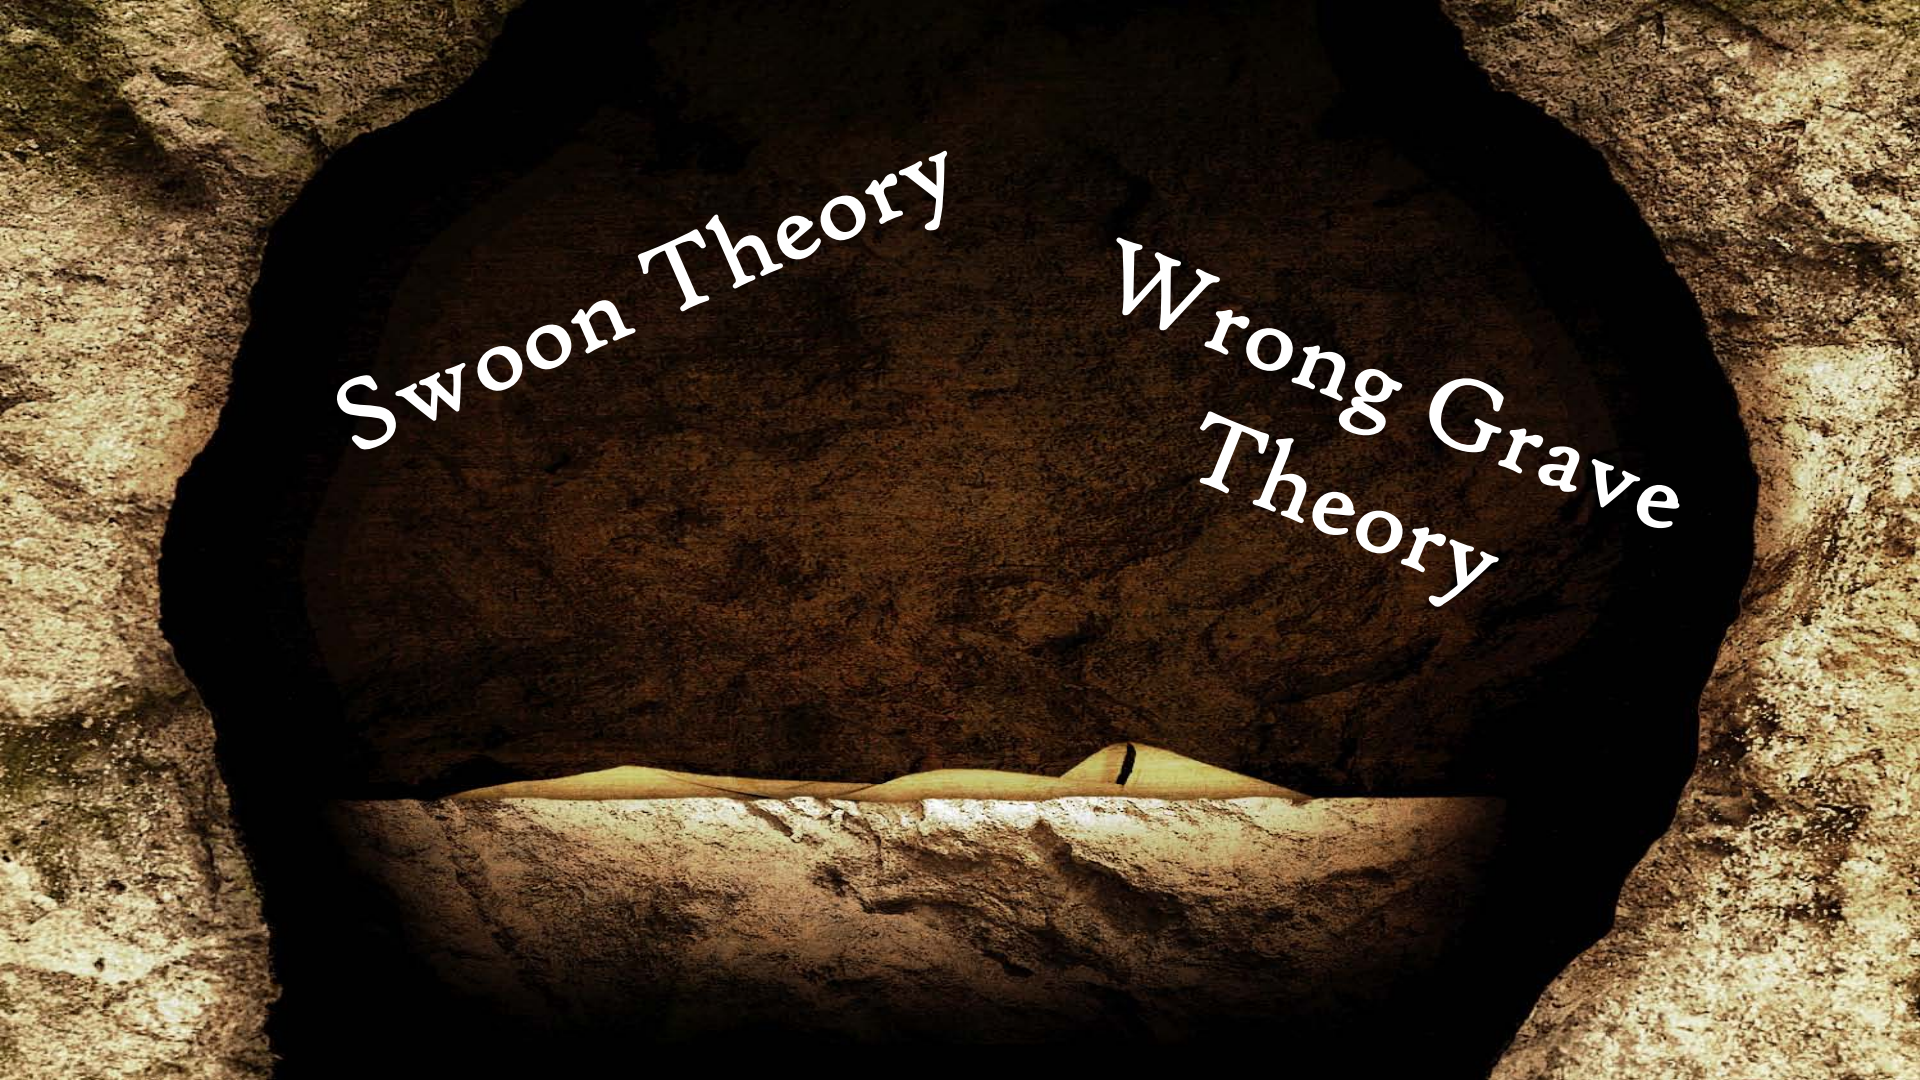

“Jesus didn’t really die, someone gave him a drug that made him look like he was dead and he revived in the tomb. Answer: Roman soldiers knew how to kill people, and no disciple would have been fooled by a half-drugged, beat-up Jesus, into thinking he’d defeated death and inaugurated the kingdom.”

“We could cope – the world could cope – with a Jesus who ultimately remains a wonderful idea inside his disciples’ minds and hearts. The world cannot cope with a Jesus who comes out of the tomb...”
