

**"Alligators lurk in our bayous, too.  
And when we see them, we react.  
We fear rejection, so we follow the crowd.  
We fear not fitting in, so we take the drugs.  
For fear of standing out, we wear what  
everyone else wears.**

**For fear of blending in, we wear what no one else  
wears.  
For fear of sleeping alone, we sleep with anyone.  
For fear of not being loved, we search for love in  
all the wrong places."**

the SUPERNATURAL CONFLICT

**"In Scripture the visitation of an angel is always alarming; it often begins by saying, 'Fear not.'"**

**C.S. Lewis**

**"One thing is certain: biblical and contemporary portrayals of angels don't match up. Grocery store tabloids present angels as fairies with see-through wings. They exist to do us favors - heaven's version of bottled genies who find parking places, lost keys, and missing cats."**

Snap your finger and 'poof,' they appear. Snap again and they vanish. Not quite a biblical image. Two adjectives capture the greater truth about angels: *many* and *mighty*."

the STRENGTHENING of DANIEL

**"The Sovereignty of God is the biblical teaching that all things are under God's rule and control, and that nothing happens without His direction or permission."**
