John 9

the HEALING of a
BLIND MAN

the
REVELATION

the
REACTIONS

"These folks don't celebrate; they debate! They have watched this man grope and trip since he was a kid. You'd think they would rejoice. But they don't. They march him down to the church to have him kosher tested. When the Pharisees ask for an explanation, the was-blind beggar says, 'He applied clay to my eyes, and I washed, and I see.'"
