A Royal Baby

HIS ROYAL lineage

"The legal right to rule always came through the father's side, and this was true even in Jesus' case because He was legally Joseph's eldest son. Thus, we have two genealogies. Luke shows that through Mary, Jesus was literally a blood descendant of David. Matthew proves that through His adopted father Joseph, Jesus was legally in the royal line.

In every way possible, He had the right to rule... both legally and regally!"

G. CAMPBELL MORGAN

"Your house and your kingdom will endure forever before me; your throne will be established forever."

"He will be great and will be called the Son of the Most High; and the Lord God will give Him the throne of His father David; and He will reign over the house of Jacob forever, and His kingdom will have no end."

HIS ROYAL birth

HIS ROYAL worship

"Then the king said to the wise men who understood the times—for it was the custom of the king so to speak before all who knew law and justice."

"Then the king gave orders to call in the magicians, the conjurers, the sorcerers and the Chaldeans to tell the king his dreams. So they came in and stood before the king."

"The Chaldeans answered the king and said, "There is not a man on earth who could declare the matter for the king, inasmuch as no great king or ruler has ever asked anything like this of any magician, conjurer or Chaldean."

"Daniel answered before the king and said, 'As for the mystery about which the king has inquired, neither wise men, conjurers, magicians nor diviners are able to declare it to the king."

"Then the king promoted Daniel and gave him many great gifts, and he made him ruler over the whole province of Babylon and chief prefect over all the wise men of Babylon."
